WHY BUSHRANGER?

Bushranger provides quality, commercial grade products to the Australian consumer market.

Whether you are a professional or savvy prosumer, Bushranger has the right product for you. We are proud of our products and ensure our retailers provide great service and support so you have peace of mind with your purchase and years of reliable and dependable use.

Where we came from.

Roy Gripske and Sons – the company behind Bushranger – was originally founded in Queensland in 1968 selling quality finished goods as well as spare parts and accessories to the retail public. Since then the business has evolved to offer a broad range of premium International brand name products which are distributed to professional retail outlets throughout Australia. With such an intimate knowledge of the Australian market place, in 2004 the Bushranger brand was born to lean on our knowledge and bring to the market a range of superior outdoor power equipment products truly suited to Australian conditions.

Proudly Australian Owned and Operated company.

We employ over 150 friendly faces Australia-wide. We couldn't talk about the best quality products in the marketplace without having a strong team of qualified professionals, with years of experience, knowledge in the industry and know exactly what Aussies want and need, to back it up.

Bushranger is 100% Australian owned and run, so you can be confident that when you purchase a Bushranger product, not only are you supporting an Australian business, but you can benefit from local after sales support throughout the life of your Bushranger purchase.

From research and development to service and warranty, our national Bushranger team is fully committed to providing products that are user-friendly, value for money and time-saving, so you get to enjoy your little piece of paradise – from a modest courtyard to stately acreage, Bushranger have the right product for the job.

You can Go Further with Bushranger.

You can extend your warranty from 2 years to 5 years on your 2-Stroke & 4-Stroke product by exclusively using Bushranger Premium 2-Stroke & 4-Stroke Oil – available from your dealer. Not only will your investment perform better, but will last longer. Trust Bushranger to give you an extra 3 years of worry free use.

* For domestic use 2 and 4-Stroke handheld products only, this period is extended for a further 3 years on a parts only basis for crankshaft, main bearings, piston, piston rings, needle roller bearings, cylinder and ignition coils provided Bushranger Oil has been purchased on the original invoice with the unit and used exclusively during the warranty period, for 4-Stroke products Bushranger 4-Stroke oil must be used exclusively during the warranty period, and oil changes done every 10 hours of use.

NEW RANGE

82V BATTERY RANGE

The 82V technology integrates a robust brushless motor, advanced electronics, and high-performance lithium technology, ensuring superior power, extended runtime, and exceptional durability. For true flexibility the lithium-ion battery is interchangeable with all other Bushranger 82V tools.

**82TBX20 82V
STRAIGHT SHAFT LINE
TRIMMER / BRUSH CUTTER
BRUSH SAW SKIN**

BRU82TBX20

Land Owner Professional

2.0 kW Eq. 40 cc engine | Line Speed 158 m/s
Runtime: 86 mins | 6.7 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger
2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82TBX20 is the most powerful professional battery brush cutter Bushranger have ever produced for tackling the toughest jobs. Offering exceptional operator comfort thanks to the fully adjustable low vibration bull handle and ergonomic operator harness. This class leading battery brushcutter has strong durability thanks to its robust design and magnesium housing. Our digital 82V 2.0 kW brushless motor rivals an equivalent 40 cc petrol trimmer yet has significantly lower running costs and emissions. It has 3 interchangeable heads string trimmer, blade and saw and the battery is interchangeable with all other Bushranger 82V tools.

**82TX16 82V
STRAIGHT SHAFT
LINE TRIMMER SKIN**

BRU82TX16

Land Owner Professional

1.6 kW Eq. 36 cc engine | Line Speed 158 m/s
Runtime: 55 mins 5500 RPM | 3 Speed Settings | 5.4 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial,
Battery & Charger / 90 Day Hire

The Bushranger 82TX16 82V 1.6 kW string trimmer outperforms a 36 cc gas trimmer in power yet weighs much less. The 82V technology integrates a robust brushless motor, advanced electronics, and high-performance lithium technology, ensuring superior power, extended runtime, and exceptional durability. Cut through the thickest grass with an operating power of 1.6 kw and a maximum power of 2.0 kW, outperforming gas equivalent string trimmers.

The powerful trimmer is equipped with innovative cooling technology which allows the high-performance brushless motor to dissipate and operate with maximum efficiency ideal for extended usage in any condition. Keep your tools cool and your productivity soaring.

82V BATTERY RANGE COMMERCIAL

82PH23 82V SHORT POLE HEDGE TRIMMER SKIN - ARTICULATED HEAD

BRU82PH23

Land Owner Professional

610 mm Double sided Blades | Dual reciprocating Blades | 2.3 m articulated reach of up to 3 m | Runtime: 400 mins | 4.5 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82PH23 is a professional long reach battery hedge trimmer with articulated dual reciprocating 61 cm blades for up to 4300 cuts per minute and a total length of 2.3 m, offering exceptional cutting performance to make the most demanding jobs easy.

82PST39 82V 10" TELESCOPIC POLESAW SKIN

BRU82PST39

Land Owner Professional

10" / 25 cm Bar and Chain | 3.9 m with a reach of up to 5 m | 800 W Eq. 25 cc Engine | Runtime: 74 mins | 4.94 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82PST39 is a powerful high torque 82V 800 W brushless motor, telescopic shaft, battery polesaw for professional use. Offering 25 cc petrol rivalling power and torque to make the most demanding jobs easy with significantly lower running and ownership costs. Featuring a telescopic aluminium shaft with a length between 2.7 and 3.9 m, even the tallest branches of up to 5 m can be cut easily and safely.

82CS27 82V 2.7 KW 15" CHAINSAW SKIN

BRU82CS27

Land Owner Professional

Large 15" / 38 cm Bar and Chain | 2.7 kW Eq. 55 cc Engine | Runtime: 19 mins | 3.6 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82CS27 professional chainsaw stands out as a lightweight yet impressively powerful battery-powered chainsaw tailored for professional applications. Striking the ideal equilibrium between performance and maneuverability, it effortlessly handles various cutting tasks. With 2.7 kW of power, it matches the performance of a 55 cc petrol chainsaw while boasting significantly reduced operational and ownership expenses.

82CS34 82V 3.4 KW 18" CHAINSAW SKIN

BRU82CS34

Land Owner Professional

Large 18" / 45 cm Bar and Chain | 3.4 kW Eq. 60 cc Engine | Runtime: 15 mins | 4.55 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82CS34 is our most powerful battery chainsaw for professional use, offering an unrivalled level of power and torque to make the most demanding jobs easy. Premium components include magnesium housing for additional durability and low weight. With 3.4 kW of power, it matches the performance of a 60 cc petrol chainsaw while boasting significantly reduced operational and ownership expenses.

82B26 82V BACKPACK BLOWER SKIN

BRU82B26

Land Owner Professional

3.1 kW Eq. 64 cc Engine | Large Air Speed of 313.8 kph | Runtime: 116 mins | 6.7 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82B26 backpack blower combines high air speed of 313.8 kph and constant power to provide the most efficient blowing system allowing users to clear bigger piles of wet or dry leaves with ease. The 82B26 is our most powerful battery backpack blower for professional use, featuring an ergonomic backpack design for comfort and convenience while working on larger jobs such as car parks, sports grounds, and urban areas. Optimised dual draw battery technology powers an axle fan, brushless motor all while reducing vibration to half.

82B22 82V AXIAL HAND HELD BLOWER SKIN

BRU82B22

Land Owner Professional

Eq. 30 cc Engine | Large Air Speed of 225.3 kph | Runtime: 97 mins | 2.5 kg Skin only

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82B22 professional blower is a robust battery-operated blower tailored for professional applications. With its powerful lithium-ion battery, it offers effortless mobility, ideal for quick clean-ups post-mowing or hedge trimming. Delivering power equivalent to a 30 cc combustion engine, alongside an air speed of 225.3 kph, the 82B22 blower swiftly and efficiently tackles minor tasks, regardless of environmental conditions.

82LM21SX 82V 21" SELF PROPELLED MOWER SKIN

BRU82LM21SX

Land Owner Professional

21" Steel Deck | Up to 5.4 kph | 3 in 1 Function | 2.5 kW Eq. 140 cc Engine | 7 cutting heights

Warranty: 3 Year Domestic, Battery & Charger / 2 Year Commercial, Battery & Charger / 90 Day Hire

The Bushranger 82LM21SX is a powerful self-propelled lawn mower for professional use, featuring a 21" steel cutting deck and 3 in 1 function for any commercial cutting jobs. With heavy duty folding handles, and exceptional power and runtime from our 82V brushless digital motor and dual battery slots with automatic switchover. The intelligent motor features an automatic boost function which increases blade speed in tougher conditions, and reduces for lighter grass areas to extend runtimes. Producing power equivalent to 140 cc petrol performance, the battery is also interchangeable with all other Bushranger 82V tools.

BCC CHIPPER CHOPPER

BRUBCC

Home User Land Owner Four Stroke

Bushranger 196 cc Engine | Chips green branches up to 65 mm | 66 kg
Warranty: 2 Year Domestic / 90 Day Commercial & Hire

The Bushranger Chipper Chopper is a precision machine, built strong with a reliable steel frame and a quality Bushranger 196 cc engine. Ideal for the home gardener or acreage. With an easy to feed design, the wide hopper mouth means no pre-cutting necessary and the lower chipping pipe has the power to chip branches up to 65 mm. The simple design allows full access to the inside of the machine when hinging open the chamber and securing with a safety latch. This makes changing blades for sharpening simple and maintenance requires little effort. It's well-balanced design with built-in handles and strong wheels make our chipper a breeze to move around. Made in Australia with Australian sourced materials.

RC800 BUSHMASTER REMOTE-CONTROLLED INCLINE TRACK MOWER

BRURC800

Land Owner Professional

Traction on slopes of upwards to 50° and 45° crosswise slope | Large cutting width of 1 metre | Mows thick grass, wild shrubs, plants up to 70 mm | Track width - 180 mm Remote cutting height adjustment from 20 mm - 120 mm

Warranty: 1 Year Commercial / 90 Days Hire

The Bushranger Bushmaster RC800 is built like a tank. With tracks for mowing in extreme conditions and a large 100 cm central cutting deck to maximize speed and agility. Designed for working on steep slopes up to 50°, it can cut in every direction and on any type of terrain, always maintaining the same grip to literally stick to the ground. It's Zero turning radius gives the ability to work in confined and narrow spaces. The Bushmaster is able to cope with any task and maintains a high work efficiency with the powerful 26 hp iGXV800 Honda EFI engine. All this is controlled safely from a distance with the personalized remote-control system.

4-STROKE OIL

10W-40 4-Stroke oil, suits many Honda, Briggs and Stratton and Kohler engines. Always refer to engine manufacturer.

1 LITRE

POIL1002

1 litre chamber pack bottle.

You can Go Further with Bushranger.

You can extend your warranty from 2 years to 5 years on your 2-Stroke & 4-Stroke product by exclusively using Bushranger Premium 2-Stroke & 4-Stroke Oil – available from your dealer. Not only will your investment perform better, but will last longer. Trust Bushranger to give you an extra 3 years of worry free use.

* For domestic use 2 and 4-Stroke handheld products only, this period is extended for a further 3 years on a parts only basis for crankshaft, main bearings, piston, piston rings, needle roller bearings, cylinder and ignition coils provided Bushranger Oil has been purchased on the original invoice with the unit and used exclusively during the warranty period, for 4-Stroke products Bushranger 4-Stroke oil must be used exclusively during the warranty period, and oil changes done every 10 hours of use.

TRIMMER LINES

For use in low noise areas (Hospitals / Schools) | Full mass line | Less drag | Longer wear | Significant improvement in energy efficiency
Up to 50% noise reduction in larger diameter lines | Increased RPM's allow use of larger diameter lines | More impact power
